- providing information for the prosecution of parents whose children do not attend school and who do not have a substantive reason
- monitoring through the Inclusion Panel- Data analysis, pupils who are looked after children, Pupil Premium and other vulnerable groups including SEND

Registration Procedures

The Tutor – must complete the morning register accurately and save within the first 10 minutes (remembering that the register is a legal document). If pupils arrive late to registration then the tutor must re-open the register and mark with an "L" and enter how many minutes late and save again. They must follow-up absences with the pupil, by reminding the pupil that a note is required explaining the absence. Absence notes should be sent direct to the Attendance Office.

When marking a register any discrepancies in attendance need reporting to the Attendance Officers immediately.

Assemblies – all registers for assemblies must be taken either electronically or by paper. The Attendance Officers will input the paper register for you if required. This will help with our aim of ensuring **all** AM Tutor Registers have been completed on the system and in the event of an emergency a child can be correctly located.

Subject Staff – must complete the class register for each and every period including double and triple lessons, please remember period 4 is the equivalent of afternoon registration.

Pupils arriving late should be marked with an 'L' and enter how many minutes late. If a pupil has an explanatory note mark the register with an appropriate code. Lesson registration is a vital element in tracking post-registration truancy and records will be used by the EWO in communications with parents and as evidence in legal proceedings.

Educational Visits and Sports Fixtures – Paper registers must be taken prior to departure and a copy sent to Attendance Officer. Pupils will be given their marks for lessons in that session.

Signing Out – Any pupil who leaves the school premises during the day should go to Pupil Services where s/he will be given an ‘Authorised Absence Pass’ which gives permission for the pupil to be off the site. Parental/official verification for the reason for leaving the site will be sought/looked at before pass is given. The Authorised Absence Pass must be shown if a pupil is challenged outside the school by the police or Education Welfare Service.

Pastoral Leaders will check attendance on a weekly basis ensuring that:

- a) absence/e-mails/notes are being provided and phone calls are logged (in conjunction with Tutors and Attendance Officers)
- b) codes/explanations for absence are being inputted by the attendance officer
- c) any patterns of absence are identified and investigated
- d) poor attenders/pupils with problems in school likely to affect their attendance are identified for intervention
- e) reasons for non-attendance are investigated with pupils, parents/carers/EWO where there are concerns and the appropriate action taken – monitoring will begin initially by form tutor and further ‘investigation’ will be done by Attendance Officer, then Pastoral Leader and finally EWO
- f) if a pupil is likely to be absent for a known period of time to arrange for work to be sent home
- g) if a pupil’s absence is supported by a hospital consultant or a specialist medical team a referral to Home Tuition Service will be completed
- h) if a pupil is returning after a long absence from school, the possibility of a phased return should be considered.

Attendance Officers – have responsibility for:

- a) ensuring registers are being completed and informing SLT link at appropriate stages (where there are persistent concerns)

Education Welfare Officer will use a wide range of strategies to monitor and improve attendance of all pupils, for example:

1. Parenting Contracts
2. Penalties
3. Fast Track Procedures
4. Prosecution
5. Education Supervision Orders

Parents/carers – have a legal responsibility

“All parents/carers who have children of compulsory school age, are responsible in law for ensuring that their children receive an efficient full-time education, suitable to their age, ability and aptitude and any special educational needs which they have, either by regular attendance at school or otherwise.” Section 7 Education Act 1996.

This responsibility includes:

- a) ensuring that their children attend punctually, regularly and stay in school
- b) ensuring a good attitude to learning and support the Home-school Agreement
- c) working in partnership with the school and other agencies in the best interests of the child
- d) in exceptional circumstances as stated below, requesting leave of absence for holidays during term time via a Holiday Form, well in advance of the requested dates

Authorised Absence

Authorised absence is where the School has given approval for absence in advance or where the explanation given afterwards has been accepted as satisfactory justification for the absence. Parents/carers may not authorise absence; only the school can do this.

Parents/carers should contact the School Attendance Office (by telephone, email or text) on the morning of absence (preferably before 8.30 am), giving a reason and an expected date of return. Wherever possible, pupils should attempt to arrange non-school activities outside of the school day.

The following is a list of reasons for absence which would be authorised:

- A medical appointment
- A family bereavement and/ or attendance at a funeral
- A religious observance
- A visit to a College, either to attend an open day or for an interview
- A careers interview
- An appointment with a Youth & Family Support Service personal advisor/CAMHS/MIND counsellor
- Moving house (1 day only)

For each of the above, evidence will be required e.g. an appointment card or letter.

Term Time Holidays (School Unauthorised Absence)

New legislation came into effect on 1 September 2013 which means there is no longer a provision in law for the Headteacher to authorise an absence for the purpose of a term time holiday other than in a very limited set of exceptional circumstances outlined here:

- 1) Service personnel returning from a tour of duty abroad, or other employees where it is evidenced the individual will not be in receipt of any leave in the near future that coincides with the school holidays
- 2) Where an absence from school is recommended by a health professional when a family need time together during or after a 'crisis'

If a request meets the above exceptional circumstances but falls within the following times, the Head of School must be convinced that absence from school is the only option:

- 1) The first term of any academic year (applies to all pupils)
- 2) Year 9 options time (for pupils in Year 9)
- 3) At any time during Years 10 and 11 (for all pupils in these year groups)
- 4) At any further times as specified by the school
- 5) Pupils whose attendance is classified as persistent absence

Persistent Absence

A pupil will be defined as a Persistent Absentee when they have been absent from school for 10% or more. The Department of Education reduced this threshold from September 2015 from 15% previously. Persistent Absence is a serious problem for pupils, leaving pupils at a considerable disadvantage. Pupils who fall below 92% threshold will be monitored and supported to improve their attendance. Pupils whose attendance falls below 90% PA threshold will be supported by Education Welfare Officer and their attendance will be reviewed by Assistant Head for Inclusion. Where appropriate, Attendance Action Plans will be drawn up by the Education Welfare Officer in consultation with parents/carers and relevant external agencies, such as CAMHS.

Penalty Notices

Under the Anti-Social Behaviour Act (2003) the local authority and schools have statutory powers to tackle poor school attendance and/or unauthorised absences. An unauthorised absence is any absence that the school has not given permission for or where an explanation has not been provided by the parent.

Penalty Notices may be used as a deterrent to prevent a pattern of unauthorised absences developing. They will be issued by post directly to the home of a parent after a warning, or in the case of absences without acceptable cause, warnings may not be given. This may include pupils caught on truancy sweeps, excessive or unauthorised family holidays and persistent late arrival after the close of registration.

If a parent's/carer's term time holiday request is declined, and they still take their child out of school, each parent within the household may be issued with a £60 penalty notice for each child you have taken out of school. If a penalty notice remains unpaid after 21 days it will increase to £120. If after 28 days it remains unpaid the parent will be summonsed to appear before Magistrates to explain why their child has unauthorised school absences and they may be liable for a fine of up to £1000.

Parental Guidance on new legislation

We advise that parents/carers do not plan for their child to be absent without contacting the school first to obtain prior approval. Headteachers cannot retrospectively authorise absence from school under any circumstance. A penalty notice may be issued for any unauthorised absence due to holidays.

If a parent believes at any stage that their child's absence from school may leave them liable for prosecution or a penalty notice, it is important for the parent/carer to take action without delay to secure their regular attendance. Support and guidance on attendance is always available and if parents/carers have any questions about this, or need any help to achieve an improvement, they are encouraged to contact the school to discuss any issues.

School Leaver Year 11

Year 11 Leavers official school leaving date will be the date of their last examination. Year 11 pupils are expected to register and attend school during the examination period to access subject specialist support. Revision support is provided within school for every pupil during the examinations.
