

Hull - just another city?

Hull is like any other place,
It might not be colourful,
It might not be rich,
People might have problems,

Or maybe not?

Hull might not look nice,
Parts of it might do.
City of Culture might change things,

Or maybe not?

Look out of it,
Not into it.
Every perspective is different,

Or maybe not?

Come change your view,

Or maybe not?

Hull is just like any other city,

Or maybe not?

James, Year 9
