

7th July 2014

Dear Parent

Re: Industrial Action – Malet Lambert School will partially close on Thursday 10th July 2014 - Years 7 and 10 (who are *not* taking part in Work Experience) **to attend as normal and the school is closed to Years 8, and 9.**

I am writing to you regarding the one day partial closure of the school on Thursday 10th July 2014. **Years 7 and 10** (who are *not* taking part in Work Experience) **to attend as normal** and the school is closed to years 8 and 9. This is due to the planned industrial action undertaken by the professional associations, NUT, Unison and the GMB.

The Governing Body gave careful consideration to the potential of the School remaining open to all students, but as it is estimated that the majority of our staff will be involved in the action we feel that we cannot provide the appropriate duty of care to ensure the safety of all our children.

Therefore full school uniform must be worn by all students in Year 7 and Year 10 attending school.

As the school will be unable to provide hot food on the day, lunch will be a choice from a selection of cold sandwiches, cold desserts, fresh fruit and cold drinks.

Please note that the School will be open as normal on Friday 11th July 2014.

Thank you for your support and understanding regarding the industrial action

Yours faithfully

S Logan (Mr)
Assistant Headteacher (Pastoral)
