7ANO - Crown

Miss Norman

My specialist subject

I teach History and I've always loved it because it is interesting to see how people lived in the past and how that has shaped the world today.

My journey

I joined Malet Lambert in January 2018. Before then, I worked at a few different secondary schools in the Hull region and also in Lincolnshire. The only other job I have ever done is waitressing which helped me to pay for university.

My interests

- I am a keen martial artist. I do ju-jitsu three times a week and also teach martial arts to university aged students. Last year I received my 'second dan' belt (one above black belt). I am hoping to continue and take my 'third dan' in the future. I also enjoy running and swimming.
- A few years ago I went on holiday to the Cape Verde islands which are off the west coast of Africa. When I was there I got the opportunity to go scuba diving down to a shipwreck. It was a fantastic experience and one I will never forget.

My advice to make transition easier

- Stock up on plenty of stationary (Pens, pencils etc.) to make sure you are fully prepared for the year ahead.
- Practice tying and untying your tie. I remember when I started secondary school I found it hard to do this without a bit of practice first!
