

Primary School Memories

It is a big deal leaving primary school and heading off on the next stage of your school life. It is important that when you have a big change ahead you think about what you are leaving behind on your journey. You may want to find certificates, drawings, photos etc to add to your work.

Remembering: Here are some prompts to help you to remember things.

- ★ Which events, trips, performances, assemblies, sports days etc do you remember?
- ★ What roles or jobs have you done?
- ★ What lessons have you enjoyed the most (or least!)?
- ★ Who have been your friends?
- ★ What rewards or certificates have you received?
- ★ What has been your proudest moment?
- ★ Which teachers do remember most and why?
- ★ What is your favourite memory?
- ★ Are there anything you would rather forget?
- ★ What school events do you remember most?

Memory Gallery

Now you have lots of ideas, use your memories to fill the memory gallery on the next page. You could stick on any photos, certificates or drawings you have or you can just write your memories into each frame.

If you need more space, you could make a memory box or scrapbook to include all of your primary memories. You could also use IT to create your memory gallery. Whatever you produce, keep it somewhere safe so that you can look back on your memories in the future.
