Logo

Skirts and trousers purchased from the uniform shop will automatically have the logo attached.

Skirts and trousers purchased from any other retailer need to be approved by the school and we will then arrange for the logo to be attached at no cost to you. We must see the child wearing the garments in order to approve them. Until the point that garments have been approved please retain all receipts.

We offer an extensive number of dates when children, accompanied by parents if you prefer, can get trousers and skirts approved. We send regular updates to parents of these dates.
