Generic Full School Information

Keyworker/Vulnerable Pupil School Provision – Update from the Government

Education and childcare settings are already open to priority groups. Now that we have made progress in reducing the transmission of coronavirus we are encouraging all eligible children to attend. Please refer to the guidance link: [existing guidance on vulnerable children and young people](#) if you're unsure if your child is eligible or by all means give us a call.

To register for the provision please respond to this email or email enquiries@maletlambert.hull.sch.uk with your needs, your child/rens names and year group/s. If your needs change, please do update the school so that we can keep an up-to-date record of the children we are expecting to receive.

COVID-19 Most Recent Update

Please see our most recent Trust update: [Parent/Carer Update 11.05.20](#)

NHS Heroes Campaign

We are so thankful for the fantastic response we have had with our recent NHS Heroes campaign. We will continue to accept donations and small gifts from you for distribution. The collection boxes will remain in the front porch of the school reception. We thank you once again for your kind donations and continuing support for the school and local community throughout this challenging time.

Social Media Sites

We are continually updating our social media sites, to ensure you have up to date information please follow us on Facebook: [facebook.com/maletlambertofficial](https://www.facebook.com/maletlambertofficial) and Twitter: twitter.com/maletlambert. As well as sharing relevant information we are also sharing some much needed good news items in relation to our many talented pupils. If you have something you think our community would like to see, please email enquiries@maletlambert.hull.sch.uk. Good news stories are of particular importance at this difficult time. Can we ask that if you have any questions, you email these to enquiries also, rather than comment on a particular story as this will ensure you get an answer to your query much more efficiently and we can ensure that none of your important questions are missed. Of course, if this is not possible, then a comment is very welcome.

Online Learning Platform

As you are aware Pupils are able to access their school work online, full details can be found on the Malet Lambert website: www.maletlambert.co.uk. Please see attached FAQ's and refer to these in the first instance if you have any queries: [FAQ's, Online Learning Platform](#). If you cannot find an answer to your query, then please email enquiries@maletlambert.hull.sch.uk, or call the school on 374211. The list of Subject Support emails can be found in the Useful Information section, below.

It would be greatly appreciated if you would complete our survey so we can gauge the quality and quantity of work we are providing via our Online Learning Platform for our pupils in Key Stage 3 (Years 7, 8 and 9). Your feedback is essential to us and we thank you in advance for providing this.
