

MALET LAMBERT

MALET LAMBERT WEEKLY NEWSLETTER – Friday 5th June 2020 – Issue 17

Pupil Safety

We know that the vast majority of our pupils, supported and guided by parents/carers, are fully adhering to the government guidance on matters such as social distancing and are keeping themselves safe generally. However, following some recent police information, we know that groups of secondary aged children are gathering in dangerous locations such as derelict building and bridges which are sometimes well out of area. Please be aware of this when you are talking to your children.

Hegartymaths Feedback

Whenever your child's Maths teacher gives feedback on Hegartymaths, the bell on the top right hand corner of the screen will turn red. It is important this is read to help your child make better progress.

Reminder for Y11 History Pupils

All pupils who had joined the Y11 History Google Classroom have been sent an email with A Level History preparation materials for the courses at both Wyke and Wilberforce Colleges. Miss Cutts has been in contact with both colleges to ensure that Y11 History pupils have relevant A Level work to get started on.

If you have not received this email and would like copies of the A Level History materials, please email Miss Cutts on the history support email (history.support@maletlambert.hull.sch.uk).

Could all Y11 pupil who are intending to study History at A level please let the Malet Lambert History Team know via the history support email? We are considering setting up an A Level History Google Classroom to support pupils who are preparing for their new course in September, and we would like to hear back from pupils about whether they would find this helpful.
