Malet Lambert offers Year 10's the opportunity every year, to take part in Young Enterprise; a national project that allows participants to start their own business that they make money from, alongside competing in a nationwide competition against other teams.

We are looking for pupils in Year 9 who are creative, innovative and dedicated, as well as those who would like the opportunity to create a successful business, with the potential to make money.

Our teams from previous years have been very successful in their endeavours and they invested a lot of their own time working at home and meeting multiple times a week, both after-school and at lunchtime, with clear goals and expectations in mind to succeed. Young Enterprise is a unique experience and a great opportunity to develop practical skills and experience.

For those in Year 9 who are interested, please apply using the following form before the 30<sup>th</sup> June:

<https://forms.gle/HvoyNTFLYZxX8pj78>

Successful applicants will be informed before the end of term by Miss Powell and Mr Gibson, with the aim to start when we return to school.
