

MALET LAMBERT

MALET LAMBERT WEEKLY NEWSLETTER – Friday 3rd July 2020 – Issue 21

Keyworker/Vulnerable Pupils School Provision

We are seeing a large increase of requests for children to come into school.

We are now at the stage where, if we get any new requests, where a child has not been into school previously, we will need to arrange for extra staff to come into school for extra supervision. Of course, this is not a problem and we welcome more pupils, however, we must be aware in advance of further increases to numbers please.

Unfortunately, due to this, it will not be possible for us to accommodate late changes or additional requests received after a Thursday of each week. We really do not want to disappoint any parent or carer with their requests; however, we have to follow the guidelines, which obviously impacts on our planning.

We thank you once again for your continued support

Pupil Lockers

If your child has any items in their locker and you would like to arrange collection of this, please call the school with your child's name and locker number. We will then make an appointment for you to come in. You must come into school at the exact time you are given to enable us to following social distancing guidelines. We will share via this newsletter at a later date what will be happening with the return of keys and deposit refunds for these.

Relationship and Sex Education Policy

Earlier this week, you received an email notifying you of the opportunity to give feedback to us on our new Relationships and Sex Education policy. The consultation period is still live and the feedback survey can be found on the school website. The consultation period is open until Friday 10th July 2020. Please see link here to survey and policy:

During Lockdown Malet Lambert has Kept Calm and Carried On!

In English we would like to see what you have been reading during your time at home and which different places too! So, we are launching our Keep Calm and Carry on Reading activity!

We would like staff and pupils (and parents too if you want to get involved!) to take pictures of themselves reading in interesting or unusual places. These pictures will be used to form a display (with parental permission) when we return to school and this will show how we, as a school, have used reading to help us cope and get through this unprecedented time as well as sharing books that we have enjoyed. There will be prizes for the best 3 entries so, take those pictures, be creative and imaginative and be ready to send them to Ms Betts when we return!

Thank you and stay safe from the English Department! 😊

Virtual Sports Day

A huge thank you to all pupils, parents and staff who got involved with the Virtual Sports Day. Here are the individual winners for each event and the overall house standings. [Virtual Sports Day Results 2020](#)

GCSE Geography - Google Classroom changes

From Monday 6th July, all Year 9 pupils who have opted for GCSE Geography will be invited to a new Geography Google Classroom with their own teachers. We will be asking you to complete a short quiz about how you have been getting on during the lockdown period.

Also from Monday 6th July, all Year 10 pupils who are currently studying GCSE Geography will be in new Geography Google Classrooms with their own teachers. For a small number of you this will be different from the teacher you had at the start of the year as we have been able to create an extra group for Year 11. You will also be asked to complete a quiz about your learning during lockdown, to help us plan for the next term.
