### **Virtual Big Bang Fair**

In light of the cancellation of the Big Bang Fair which we were planning to attend, a Virtual Big Bang Fair has been announced and is due to run on Tuesday 14<sup>th</sup> July. This is a great opportunity for pupils to engage in a variety of talks and activities around STEM (Science, Technology, Engineering and Maths).

If pupils are interested, you do not need to sign up or book a place. Details on how to access this event, including a timetable for the day, can be found here: [🔗 https://www.digitalbigbang.co.uk](https://www.digitalbigbang.co.uk).

### **Pupil Lockers**

If your child has any items in their locker and you would like to arrange collection of this, please call the school with your child's name and locker number. We will then make an appointment for you to come in. You must come into school at the exact time you are given to enable us to following social distancing guidelines. We will share via this newsletter at a later date what will be happening with the return of keys and deposit refunds for these.
