Dear Parent or Carer

As in previous years, Malet Lambert will be looking to support a range of different charities throughout the academic year.

This year, members of staff nominated a range of charities for consideration, which were then voted on by our pupils.

There are three charities the school is supporting this year, which will see three non-uniform days in total. We will give you good notice before each.

A charity which carries out research into the prevention, diagnosis and treatment of cancer

A charity who is supporting the Leeds Congenital Heart Unit in becoming a world class centre of excellence

A fundraising programme, founded by our own Mr Beadle to aid buying lifesaving equipment and resources for Hull NICU

Thank you once again. If any parents or carers have any ideas about how we can further raise funds for our nominated charities, then please do get in touch.

Yours faithfully

Mr Jonathan Robinson  
Head of Chevron House
