## MALET LAMBERT WEEKLY NEWSLETTER – Friday 11<sup>th</sup> June 2021 – Issue 54

### Generic Full School Information

#### **Tutor Time**

From Monday 14th June until the end of term, all pupils will start their day by spending a short amount of time with their tutors to re-establish those all-important pastoral relationships. Your child's period 3 teacher on Friday 11 June will make clear to them the plan for Monday morning and the tutor room to which they need to report. To be clear, pupil start times and arrival points remain exactly the same as they have been since September. All of our normal Covid secure rules and expectations remain unchanged.

#### **Litter Pick**

Please see attached letter, if you require a hard copy please ask your child to collect one from Mr Beadle.

#### **Vocab Express**

Weekly learning homework are being set by your child's French/Spanish teacher. Please encourage your child to complete these tasks each week - they take about 10 minutes and pupils have 3 lives and 3 options to complete the tasks - multiple choice, French/Spanish to English or vice versa, making the tasks accessible to all. If there are any issues regarding logging in or anything else, please contact Mrs. Hammond-Wray.

#### **The Royal Life Saving Society**

With the increasingly warm weather and our close proximity to some open water areas, we are aware that accessing the water can be very tempting for young people. We therefore wanted to take this opportunity to share with you some useful guidance from The Royal Life Saving Society regarding the dangers of such activities and the steps young people can take to try and protect themselves, which we hope you find useful in addressing this with children.
