Return of Chromebooks

As you are aware, we are now in the process of recovering the Chromebooks lent out to pupils during the last 16 months or so. There are a number of reasons for this, not least of which is that many of these Chromebooks came out of departmental trolleys in classrooms around the school where pupils had been using them on a regular basis in their lessons. It is now crucial that the pupils in school have the benefit of these devices once more in their lessons so we would like to thank those parents and pupils who have already returned their devices and ask that the others do so very shortly. Simply put, every device currently at home now means there is one less in school that a pupil can use in their lessons.

A few parents have voiced concerns that without the devices, their child will struggle to complete homework where the homework is set on Google Classroom or where it requires internet access. At this point we would remind the pupils that they can access Google Classroom and therefore their homework on most smart phone devices and, either complete the homework online on their phones, or on paper. Alternatively a number of the main gaming consoles have some form of internet browser on them that the students can use to access Google Classroom (link to guide is attached). Lots of departments have been setting homework online for many years now, even before the periods of lockdown. The same arrangements for pupils are still in place for them to complete their homework on site in the LRC during breaks and lunches or in ICT suites during those periods, if they speak to their ICT teacher first. Departments are also aware that not all pupils have internet access at home and will make paper copies of the homework available for pupils to use if this is the case.

Locker Keys

We have a number of lockers available, if your child would like one, please email

✉ enquiries@maletlambert.hull.sch.uk and we will add the £10.00 deposit to your ParentPay account. Please note that the deposit is refundable when your child no longer wishes to use the locker, as long as there is no physical damage to the locker or key.
