

# MALET LAMBERT

**MALET LAMBERT WEEKLY NEWSLETTER – Friday 11<sup>th</sup> September 2021 – Issue 61**

## Generic Full School Information

### Pupil Lateral Flow Kits

The Department for Education has requested that schools continue to provide supplies of home test kits to pupils to allow them to continue twice weekly testing for Coronavirus, as part of their wider strategies to reduce infection rates. To support with this, we will be providing a box of 7 test kits to all pupils next week. To aid with the distribution of these, we will be offering them to all pupils. Should you, for any reason, wish for your child to not receive these home test kits, please ask them to make their form tutor aware when they are being distributed.

Please be advised that only the pupil with a confirmed positive case of Coronavirus needs to self-isolate, not close or household contacts. This is under the proviso that any of the individual's close contacts are fully vaccinated or are under the age of 18 and 6 months. This will therefore allow close contacts who have not tested positive themselves or displayed symptoms of Coronavirus to continue to attend school. Please see this [link](#) for further details and guidance on this

### C.R.Y – Free Heart Test

**FREE HEART TEST**  
For anyone aged 14 - 35  
DATE: 16TH + 17TH OCTOBER 2021
