## MALET LAMBERT WEEKLY NEWSLETTER – Friday 24<sup>th</sup> September 2021 – Issue 63

### Generic Full School Information

#### Online Safety

As part of our continued focus on online safety, please see below some information for parents and carers which we hope you find useful. We have also provided a link to a useful guide for parents regarding 'sexting' or the sharing of indecent images. Sadly, this is something that is a growing concern nationally and with increasingly younger children involved.

The Internet Watch Foundation, in partnership with Childline have launched a tool that allows children under 18 to safely remove indecent images that have been shared of them online. Whilst this will sadly never be 100% successful, as it cannot remove images stored on people's devices, it hopefully should go a long way to tackling this issue. You can access the tool at:

We always encourage an open dialogue between children and parents regarding online behaviour. If you feel you need any support with this, or if you have any concerns regarding youth produced sexual imagery or any other safeguarding matters, please do get in touch.

We also shared a link earlier in the week to ask any parent or carer if they would wish to sign up to a webinar with regards to this issue, please see link below. If you have not already done so but would like to attend one of the webinars, please email [enquiries@maletlambert.hull.sch.uk](mailto:enquiries@maletlambert.hull.sch.uk) with your full name and telephone number before Monday 27<sup>th</sup> September 2021.
