Dear Parents and Carers,

I am delighted to inform you that from November 2021, your child will be working towards a Bronze Arts Award.

At Malet Lambert, we firmly believe that young people should experience a broad and balanced curriculum. In addition to this, we are committed to providing pupils with a range of enrichment opportunities that support them to broaden their cultural horizons, and develop their perception of the world around them.

The Arts Award is a nationally recognised Level 1 qualification, developed by Trinity College, London. The qualification is designed to support pupils to develop their creativity, resilience, and critical thinking, through participation in arts activities and opportunities to experience the arts as an audience member.

The work your child does in their Art, Drama and Music lessons will contribute as evidence for the Arts Award qualification. In addition to this, we will be offering a range of arts and culture enrichment opportunities, within school and externally. We will contact you with further details of these opportunities in the coming weeks and months.

If you would like to find out more about the Arts Award, please visit the website www.artsaward.org.uk

Yours faithfully

Kathryn Wilkinson
Head of Music
