Dear Parent / Carer

You will already be aware that the next few months are very important for pupils in Year 11, during the build up to the summer examination period. I am writing to inform you that the school has a structure in place to encourage all of our Year 11 pupils to develop strategies for continuing to learn and revise, in preparation for the final examinations.

Whilst it is important to spread these strategies over the remaining few months, we know from experience that the days before the core subject examinations, in June, are those which may just secure the extra marks to make a grade difference.

With this in mind, Malet Lambert has secured funding to take a group of pupils to an Outdoor Pursuits & Study Centre for a residential experience. This event will concentrate on final examination preparation and will also combine the experience with a variety of outdoor activities, to encourage a healthy 'work/life' balance during this stressful time. We feel that your child is one of a number of pupils who would benefit from taking part in this residential experience.

A draft outline of the programme is attached to give you an idea of how the event will be organised.

This residential experience has complete funding, there is **no cost** involved to parents or pupils. Transport, accommodation, meals and the cost of any activities are all included.

The facilities that have been reserved are at the Kingswood & Dearne Valley Centre near Doncaster; the residential experience will take place from 31<sup>st</sup> May to 2<sup>nd</sup> June 2019. More details regarding issues such as departure and return times will be given nearer to the time.

If you would like your child to take part in this event, please complete the consent slip below and return it to Mr Millar in the careers office (1.2.03) by Friday 3<sup>rd</sup> May at the latest.

If you have any queries, or would like to discuss this matter further, please do not hesitate to contact me, either by telephone or e-mail at [stephen.logan@maletlambert.hull.sch.uk](mailto:stephen.logan@maletlambert.hull.sch.uk)

Thank you for your continued support.

Yours faithfully

S Logan (Mr)  
Deputy Headteacher
