Dear Parents/Carers

I am writing as a follow up to the letter we wrote before Christmas in which we proposed a change to our current system for the purchase of school skirts and trousers. We pride ourselves on our willingness to listen carefully to your views and to respond accordingly.

As a result, we have worked with the uniform shop to mean that they are now stocking an additional style of trousers. However, we will continue to respect your wishes to shop elsewhere with you bringing garments into school for verification and subsequent application of the required logo. We recognise that your waiting time during these in-school sessions has been an issue for some of you and, therefore, we will be moving to an appointment booking system to reduce your wait time and frustration.

I will write to you again in the final half term with specific dates for logo sessions and details of how to book a time for that.

We look forward to continuing to work closely with you and all of our parents. If you wish to discuss any aspect of this letter please, as always, feel free to get in touch.

Yours faithfully

Mr S Fenna
Deputy Headteacher
