WHOLE SCHOOL INFORMATION

Parents Visiting The School

Please can we take the opportunity to remind you that to avoid disappointment when wanting to speak to a member of staff in person, you first contact the school to book an appointment.

As a very large secondary school, our staff are often tied up with other appointments and duties and therefore are often unavailable when parents arrive without a pre-arranged meeting time.

Lunchtime Supervisor

We currently have a vacancy for a Lunchtime Supervisor, please see more details here if you are interested: <https://theeducationalalliance.org.uk/vacancies/lunchtime-supervisor/>

To apply please complete an application form which can be found in the Supporting Documents section and email it to mollie.poskitt@maletlambert.hull.sch.uk. We **cannot** accept a CV and a full application form must be completed.

The deadline for completed application forms is 9 am on Monday 16 October 2023.

SAFEGUARDING CORNER

Knife Crime and Young People

This week we are rightfully revisiting a topic we covered last year.

Sentencing statistics from the Ministry of Justice shows that in the year ending March 2022, there were 19,555 incidents of possession of a knife or offensive weapon. Juveniles (aged 10-17) were the offenders in 18% of cases or put another way, almost one in five cases were committed by a child aged 10 -17.

Our mantra to safeguarding at Malet Lambert will always be that any of this could happen here or could impact our young people. We encourage all of our parents and carers to be open to the possibility that their children. (and ours - many Malet Lambert teachers are parents with their own children) could be affected by the topics we discuss.

Many years ago, people might have said that "knife crime happens but it's only in London". We know that this is simply not true anymore - assuming that it ever was. This happens in Hull and surrounding areas as well we know.

We also know that where a young person carries a knife and they end up in an altercation they are highly likely to use that knife or end up with it being used on them irrespective of their intentions when they decided to carry it.

The law is clear. Just by carrying a knife you could end up in court.

Sorry to be so crude but - being involved in knife crime can result in death.
