Dear Parent/Carer

We are writing to thank you for contributing £1 for non-uniform day to #Hello Yellow in support of World Mental Health Day. We managed to raise £1350, which will go to support @YoungMindsUK.

Young Minds is a leading charity raising awareness and support for young people's Mental Health making sure they get the best possible support and have the resilience to overcome their difficulties.

YOUNG MINDS

Mr Logan, one of our Deputy Headteachers, often runs charity races in support of Young Minds and he has asked me to pass on his extended thanks.

Young Minds is one of four charities the school is supporting this year, which will see four non-uniform days in total. We will give you good notice before each.

Needs no explanation, one of the most famous charities worldwide

Founded by the late Roy Castle, Mr Sprakes runs races for this charity and hopes to run a marathon next year

A relatively new fundraising programme, founded by our own Mr Beadle to aid buying lifesaving equipment and resources for Hull NICU

Thank you once again. If any parents or carers have any ideas about how we can further raise funds for our nominated charities, then please do get in touch.

Yours faithfully

Mr Jonathan Robinson
Head of Chevron House
