Generic Full School Information

Malet Lambert Future First Alumni

If you are a former pupil of Malet Lambert, we want to hear from you!

Your experiences since leaving could help to motivate and inspire our current pupils to feel more confident in making decisions about their future. We would love you to join our alumni network and stay connected with the school.

We have partnered with the national education charity Future First, who specialise in helping schools like ours to stay connected with their former pupils. In order to sign up, just follow this link and fill in the online form:

East Park gates now close at 4.30pm.

Year 11 Information

Prom Eligibility

Unfortunately, we cannot respond to general parental enquiries about the Prom criteria. The criteria is clear and has been well documented throughout the course of the year. We have incorporated more flexibility around attendance, as we are aware that many pupils locally were poorly just before Christmas. Thank you for your understanding. You will receive another update on eligibility at February half term and we will then be sending out final eligibility and how to purchase tickets on the 2nd April 2020.

Pupils of the Week

Kallum and Heather are the Year 11 Pupils of the Week. Kallum was nominated for an excellent hardworking attitude, great effort with homework and completing coursework elements to an excellent standard. Heather received nominations for her excellent work in lessons and during Get Exam Ready sessions and for her independent revision. Well done to both pupils.

Science Revision

Year 11 pupils should now have received their science homework booklet. This booklet contains small revision tasks we would like the pupils to complete between now and Easter. Each week, pupils need to complete five tasks from the booklet to support their revision. We have asked pupils to bring the booklet in each Monday to show what they have completed. Please encourage pupils to complete these tasks at home as well as revising some of the topics around the tasks set. Copies of the booklet and a general revision/support sheet can be downloaded from the following link:

<https://padlet.com/maletscience/year11homework>. If your child would like additional revision material then please encourage them to speak to their teachers.

By way of a reminder, Science Get Exam Ready sessions run on a Tuesday after school and are open to any pupil to attend.

Year 10 Information

Head Pupil Applications

Further to Mr Sprakes' Year 10 assembly on Thursday of last week, following current Pupil Leadership Team feedback, we will be introducing shadow head pupils after half term. This is designed to ease the pressure on the Year 11 PLT as they approach their exam period. This is much earlier than usual.

Applications are encouraged from all Year 10 pupils in the form of up to two A4 sides explaining 'Why I would be a good head pupil for Malet Lambert.'

Applications to be handed to reception or Mrs Haggarty by 12:00 noon on Monday 10th February 2020.

The process will be as follows:

Monday 10th February 2020 (12 Noon):

Application deadline.

Wednesday, 12 February 2020:

Successful applicants will receive a letter giving details of requirements for the interview day.

Monday 24 February 2020 (9am):

Deadline for prepared presentations from interviewees. This allows Applicants time over half term to prepare.

Tuesday 25th February 2020:

Interview Date.

If any pupils have any questions or queries, please direct to Mrs Haggarty via reception.

Year 9 Information

As you will be aware, the deadline for returning Guided Choices forms has now passed. There will be no further pupil pathway changes.
