Dear Parent/Carer

Year 9 Humber Careers Pathway

We want to ensure your child has access to a curriculum that is broad and balanced and develops the powerful knowledge and skills to which they are all entitled. This will give pupils the best opportunity to lead successful lives and make a positive contribution to their community. Our core purpose is to ensure all pupils are catered for with a plethora of skills which inspire, nurture and are embedded throughout their time in each subject.

More information on our Curriculum and Careers provision is available here:

In Year 9 pupils study a core academic curriculum in Maths, English, Science, Humanities and Languages alongside foundation subjects, such as Art, Drama, Music, Design Technology, Food Technology and Computing. In addition, we are giving your child the opportunity to study a subject based on the Humber careers growth area. Your child can choose from the following options:

- Cambridge National in Sports Studies**
- BTEC Digital Information Technology**
- Cambridge National in Enterprise and Marketing**
- GCSE Food and Nutrition**

Your child needs to make the decision of which option they would like to study by **Monday 16th March 2020**. They will then start the course in Year 9 and complete in Year 10. To assist with this choice, over the next 2 weeks, your child will be involved in a range of activities and events to support them. Also, attached is a booklet with more detailed information on each subject along with the Subject Choice Form.

PLEASE NOTE THIS IS SEPARATE TO THE YEAR 9 OPTIONS PROCESS.
