Year 11 College Applications

Dear parents/carers

In this uncertain time, we would like to give you some information from local colleges and training providers regarding the next steps for our pupils with their college/apprenticeship applications.

For now, the following pages give you clear details of how education providers are currently handling applications and places. The overwhelming message is that providers are honouring all places that have currently been offered.

Not yet applied?

If pupils have not yet applied for any courses, they should do so as soon as they can. They can either apply direct on a college/training providers' website, or use www.logonmoveon.co.uk to search for courses and make lots of applications in one go. Pupils should have their login details, but if they have forgotten, you can email me for a password reset.

Further queries.

Although the majority of college staff are working from home, they are still answering queries from pupils. We have included email addresses for all establishments. There are also many updates via social media, so we recommend following them on Facebook and Twitter where you can find up-to-date information.

In the meantime, if you would like any further advice or guidance, please email me on laura.powell@maletlambert.hull.sch.uk. I'll do my best to answer any questions you have, or direct you to information where necessary.

Kind regards

Laura Powell
Careers Leader

Stephen Logan

BISHOP BURTON COLLEGE

Virtual Open Event 22nd April 5-8pm - Our open event which was planned for Wednesday 22nd April 5-8pm will still take place. As we are unable to see students on campus face to face, our event will now take place online. Our virtual open event website will offer all the information that you expect to receive at an Open Event, and we will have academic and student services staff on hand to answer any questions via our new live chat function. Please encourage students to pre-register for the event via our main website <https://www.bishopburton.ac.uk/open-event-booking>

1) Bishop Burton College - We are still accepting applications!

Our entry requirements will in essence remain the same, however, we will be flexible in our approach and allow some movement of students between course levels during the first 6 weeks based on our own initial assessments. Given recent developments, we will assess every student application on individual merit and circumstances, and we will seek to ensure no student is disadvantaged because of the extraordinary circumstances we find ourselves in.

We are still accepting new applications and conducting interviews over the telephone.

2) Bishop Burton College: if a student has already accepted a Conditional offer.

We want to reassure your students that we are honouring any offers that have been made.

If your students have any questions regarding their application they can contact our admissions team admissions@bishopburton.ac.uk or for any other questions please contact our student services team enquiries@bishopburton.ac.uk. We also have a live chat function on our website between 9am-4pm Monday – Friday.

Students who have accepted a place will be sent a 'Joining instructions' email over the next few months which will contain all the information they will need to enrol such as what reading materials are needed, clothing if required, transport etc. Please make sure our admissions team have an up to date student email address.

3) If a student has recently applied, they still may need accept their offer.

If they recently had an interview for a course at Bishop Burton either in person or over the telephone, great. All they need to do now is let us know that they would like to accept the offer they were given, if they haven't already done so.

Students can accept their offer by letting us know at admissions@bishopburton.ac.uk. If they need any further information about the College then they can get in touch with our student services team on enquiries@bishopburton.ac.uk. We also have a live chat function on our website between 9am-4pm Monday – Friday.

Once students have accepted their place, they will be sent a 'Joining instructions' email over the next few months which will contain all the information they will need such as what reading materials are needed, clothing if required, transport etc. Please make sure our admissions team have an up to date student email address.

Email: enquiries@bishopburton.ac.uk

WILBERFORCE COLLEGE

Wilberforce College continue to support students into their progression pathways and will be honouring places awarded. Students can always get in touch with any queries or concerns by emailing events@wilberforce.ac.uk. Please follow them on social media and keep up to date with information by looking at their website too.

Wilberforce are putting work packs together for all our new student intake after the Easter holidays, to help them with the transition to Level 3 courses. As soon as these are ready, the resources will be passed to pupils.

Email: events@wilberforce.ac.uk

ST MARYS COLLEGE

All students who have been offered a place to join St Marys should not to be concerned about the cancellation of GCSE exams - all offers of a place at St Marys will be honoured.

They recommend that students keep up enthusiastically with their studies in the weeks to come. A number of A-level subjects have entry requirements to be able to join and to ensure they meet these, they need to keep focused and study well.

Currently, they still plan to run enrolment day on Thursday August 20th. Any change in plans will be shared with all students via email and text.

Overall the message is that any student who applied to join prior to the shutdown will have a place at St Marys, if they want to accept. They will respond personally to any students who have applied in the last two weeks or in the weeks to come.

Email: JCharlton@smchull.org

MCARTHUR DEAN

Any pupils who are potentially interested in doing an Apprenticeship with McArthur Dean, please contact them and send a CV and they can get pupils registered and ready. Although staff are working from home, pupils can ring and it will be diverted to one of the Careers Advice Team.

Email: info@mcarthurdean.co.uk

Tel: (01482) 210093

HULL FC SPORTS COLLEGE

Hull FC Sports College still have a large number of spaces left on their program. They are offering all Year 11s an unconditional offer in this time of uncertainty with grades. Any pupils interested in sport and/or Rugby League should apply and the college would be more than happy to accommodate their needs.

Email: college@hullfc.com

HETA

Entry requirements for this September remain at Grade 4-9's in 4 GCSE's including Maths English & Science. Students can apply via www.heta.co.uk or via LogOnMoveOn.

HETA are closely monitoring and following the governments guidance on how best to respond to the current Coronavirus outbreak. Therefore, there is a delay in the recruitment process including their maths assessment, interviews and Open Evening. However, they will be updating applicants as best as they can and are also keeping social media and their website up to date with information. Please note, this delay will not affect HETA applications.

In the meantime if you have any queries about your application then please do not hesitate to contact a member of the HETA Admin Team.

Their applications have been extended until Friday 1st May 2020.

Email: admin@heta.co.uk

WYKE COLLEGE

Due to recent announcements by the Government, Wyke have updated their advice on college applications.

Their position is simple:

- They will honour all of the offers made to students.
- They will accept the outcomes that they are awarded and use these to assess their suitability for courses according to their published entry criteria (as ever, these are subject to change)
- We are not giving guaranteed enrolment appointments for applicants who apply after March 31st

Email: office@wyke.ac.uk
